Description of the Internship

Problem Statement:

Health status and health care provision in low- and middle-income countries and populations is a major global challenge. Solutions must be adapted to specific conditions and economically sustainable.

What is the main goal(s) of the Internship?

IFMSA

International Federation of
Medical Students' Associations

Motivate medical students and interns for a career in Global Public Health

What are the objectives of the Internship?

Besides motivating medical students and interns for a career in Global Public Health, the Health Policy and Systems Management department integrates the disciplines of health organizations' management and health services' policies allowing the student to be more informed about how a healthcare system is managed, how to make it work and how we do it in Portugal, within our national health system.

To be more informed about the Portuguese public health policies and strategies.

What is the expected outcome(s) of the Internship?

Active participation of the medical student/intern in global public health teaching, research or consulting activities. To learn how the Portuguese healthcare system works, how the system is managed and how health policies are made.

The impact will be assessed in the student's report at the end of his internship.

Type of the Internship:

Advocacy Campaigning and Education Research Clinical Work
 Other – Teaching, Research and Consulting

Exchange Student's Role:

Will there be any theoretical teaching provided (preliminary reading, lectures, courses, seminars)?

The student/intern will be expected to read the documentation relevant to the activities in which he or she will be involved, in addition to any other recommended by his or her tutor.

What is the role of the student and what is expected from him/her during the exchange?

The student/intern will be expected to integrate with the team and participate in the teaching, research and consulting activities that will be carried out by his or her tutor's team. We expect motivation and commitment to the working hours.

What should be the outcome of the student's participation on the exchange Internship (paper, poster etc.)?

IFMSA

International Federation of
Medical Students' Associations

At the end of the internship, the student/intern will be expected to present an internship report of no more than five pages. If the student/intern makes a significant
